

# 8 at a Time Half-Square Triangle Units

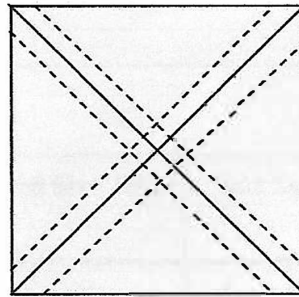

This method makes 8 half-square triangle units using 2 squares of fabric.

1.

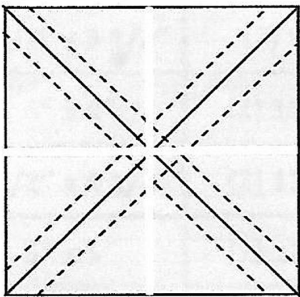

Place (2) squares with right sides together. Draw a line diagonally corner to corner using a mechanical pencil or Frixion pen.

2.

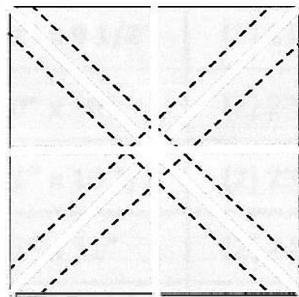

Stitch  $1/4$ " on each side of the drawn lines.

3.

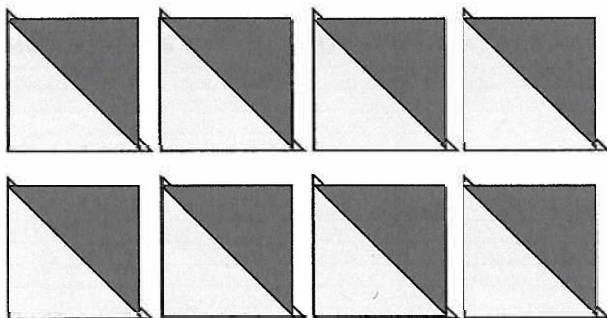

Cut the squares in both directions.

4.

Cut the squares diagonally corner to corner.

5.

Press seams to one side.

They have now been made over-sized and must be trimmed.
